- (b) Excluding individually issued annuities, misrepresenting the mortality costs of a life insurance product, including stating or implying that the product “costs nothing” or is “free”.
- (4) The following acts or practices by an insurer or insurance producer regarding SGLI or VGLI are declared to be false, misleading, deceptive or unfair:
 - (a) Making any representation regarding the availability, suitability, amount, cost, exclusions or limitations to coverage provided to a service member or dependents by SGLI or VGLI, which is false, misleading or deceptive;

- (5) The following acts or practices by an insurer and or insurance producer regarding disclosure are declared to be false, misleading, deceptive or unfair:
 - (a) Deploying, using or contracting for any lead generating materials designed exclusively for use with service members that do not clearly and conspicuously disclose that the recipient will be contacted by an insurance producer, if that is the case, for the purpose of soliciting the purchase of life insurance;
 - (b) Failing to disclose that a solicitation for the sale of life insurance will be made when establishing a specific appointment for an in-person, face-to-face meeting with a prospective purchaser;
 - (c) Excluding individually issued annuities, failing to clearly and conspicuously disclose the fact that the product being sold is life insurance;
 - (d) Failing to make, at the time of sale or offer to an individual known to be a service member, the written disclosures required by Section 10 of the “Military Personnel Financial Services Protection Act,” Pub. L. No. 109-290, p.16; or
 - (e) Excluding individually issued annuities, when the sale is conducted in-person face-to-face with an individual known to be a service member, failing to provide the applicant at the time the application is taken:
 - 1. An explanation of any free look period with instructions on how to cancel if a policy is issued; and
 - 2. Either a copy of the application or a written disclosure. The copy of the application or the written disclosure shall clearly and concisely set out the type of life insurance, the death benefit applied for and its expected first year cost.
- (6) The following acts or practices by an insurer or insurance producer with respect to the sale of certain life insurance products are declared to be false, misleading, deceptive or unfair:

- (a) Excluding individually issued annuities, recommending the purchase of any life insurance product which includes a side fund to a service member unless the insurer has reasonable grounds for believing that the life insurance death benefit, standing alone, is suitable;
- (b) Offering for sale or selling a life insurance product which includes a side fund to a service member who is currently enrolled in SGLI, is presumed unsuitable unless, after the completion of a needs assessment, the insurer demonstrates that the applicant's SGLI death benefit, together with any other military survivor benefits, savings and investments, survivor income, and other life insurance are insufficient to meet the applicant's insurable needs for life insurance.
 - 1. "Insurable needs" are the risks associated with premature death taking into consideration the financial obligations and immediate and future cash needs of the applicant's estate and/or survivors or dependents; or
 - 2. "Other military survivor benefits" include, but are not limited to: the Death Gratuity, Funeral Reimbursement, Transition Assistance, Survivor and Dependents' Educational Assistance, Dependency and Indemnity Compensation, TRICARE Healthcare benefits, Survivor Housing Benefits and Allowances, Federal Income Tax Forgiveness, and Social Security Survivor Benefits.
- (c) Excluding individually issued annuities, offering for sale or selling any life insurance contract which includes a side fund:
 - 1. Unless interest credited accrues from the date of deposit to the date of withdrawal and permits withdrawals without limit or penalty;
 - 2. Unless the applicant has been provided with a schedule of effective rates of return based upon cash flows of the combined product. For this disclosure, the effective rate of return will consider all premiums and cash contributions made by the policyholder and all cash accumulations and cash surrender values available to the policyholder in addition to life insurance coverage. This schedule will be provided for at least each policy year from one (1) to ten (10) and for every fifth policy year thereafter ending at age 100, policy maturity or final expiration; and
 - 3. Which by default diverts or transfers funds accumulated in the side fund to pay, reduce or offset any premiums due.
- (d) Excluding individually issued annuities, offering for sale or selling any life insurance contract which after considering all policy benefits, including but not limited to endowment, return of premium or persistency, does not comply with standard nonforfeiture law for life insurance; or
- (e) Selling any life insurance product to an individual known to be a service member that excludes coverage if the insured's death is related to war, declared or undeclared, or any act related to military service except for accidental death coverage, e.g., double indemnity, which may be excluded.

Economic Impact Statement:

1. Types of small businesses directly affected:

The type or types of small businesses that might be affected by these proposed rules may include insurance producers, third party administrators, insurers, or preferred provider organizations that seek to solicit or offer insurance products to, or those who currently insure military servicemen.

2. Projected reporting, recordkeeping, and other administrative costs:

None

3. Probable effect on small businesses:

The adverse impact on small businesses after the enactment of these rules will be the same as the adverse impact on all persons or entities having to comply with these regulations. Small businesses will have to establish and follow responsible procedures to identify and report illegal activities by producers, to protect members of the military from entities participating in false, misleading, deceptive, or unfair insurance sales practices.

4. Less burdensome, intrusive, or costly alternative methods:

Alternative means to accomplishing the intent of the rule, which is to ensure that military servicemen are protected from illegal sales practices, do not exist. Congress has charged the states with carrying out the purpose of the Military Personnel Financial Services Protection Act. This regulation is in accordance with that federal law in seeking uniformity in protection of servicemen against unscrupulous insurance sales practices.

5. Comparison with federal and state counterparts:

A search has been conducted to determine which states have taken the described action for the prevention of misleading and deceptive sales practices against members of the military. A number of states have issued

bulletins, or adopted similar regulations or legislation, including: Alabama, Arizona, Arkansas, California, Colorado, Connecticut, Delaware, District of Columbia, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Minnesota, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Dakota, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin and Wyoming.

6. Effect of possible exemption of small businesses:

Exemption of small businesses is not possible. The Department must ensure that entities doing business with active duty servicemen comply with these regulations.
